

# IBM CLOUD SERVICES

Date:11.11.2022

Team I'd:PNT2022TMID36755

Project Name: IOT based smart crop protection system for agriculture

The screenshot displays the IBM Cloud Dashboard interface. At the top, a browser window shows multiple tabs, including 'Obtain an IBM Cloud', 'Sign up for IBM Cloud', 'My IBM', 'IBM Cloud', and 'Verify your identity'. The address bar shows 'cloud.ibm.com'. The dashboard header includes the 'IBM Cloud' logo, a search bar, and navigation links for 'Catalog', 'Manage', and 'Kaveri V's Account'. The main content area is titled 'Dashboard' and features a 'For you' section with a 'Select an option' dropdown. This section contains six cards: 'Build' (a large blue card), 'Build a web app with Watson Speech to Text' (15 min, Popular), 'Get Started with Watson Studio' (2 hr, Popular), 'Build a Virtual Private Cloud (VPC)' (Getting started, 7 min), 'Get Started with the CLI' (Recommended, 10 min), and 'Unlock' (Recom). Below the 'Build' card is a 'User access' section with a 'Manage users' link and a form to enter email addresses. To the right of the 'User access' section is a 'News' section with a 'View all' link, displaying three articles: 'WebSphere Application Server Support Restatement', 'IBM Adds Lifecycle Services to Enterprise Networking and Deepens Strategic Partnership with Cisco', and 'All About IBM Storage's Price and Supply Guarantee'. A 'Planned maintenance' section with a 'View all' link is also visible. A blue chat button is located in the bottom right corner.
